GARTH BROOKS

Garth Brooks Champions "Child Life Zone" for new children's hospital

Patients at the new Children's Hospital of Saskatchewan will have a special space to play, learn, laugh, and relax thanks to the efforts of country music legend Garth Brooks, his Teammates for Kids Foundation. The Mosaic Company, and the Children's Hospital Foundation of Saskatchewan. Brooks appeared at fundraising events in Saskatoon and Regina on August 26, 2015. Funds raised at the two "Forever for the Kids" events will create a state-of-the-art therapeutic play area for pediatric patients and their families called the Child Life Zone. Mosaic generously contributed \$3 million to fund the long-term programming of the Zone.
